

MAJOR CONSTRUCTION TO TAKE PLACE ON GLENN LAKES LANE BEGINNING ON APRIL 2ND

To begin, I have just been notified of this project and had no say in the timing. Of course, it is not going to be fun at all – but we will all have to make the best of it as it is out of my control. I am going to try to detail the best I can below how the traffic patterns will work getting into and out of our lot. It will take patience and care to make it work and keep everyone safe – so thank you in advance for your help!

Glenn Lakes Lane will be completely rebuilt from Highway 6 to Ridgeview Drive (where Ridgeview Park is). They will be working on one side at a time and the driveways to the businesses will also be rebuilt. They will be starting on our side first to try to get it done as soon as possible.

For the duration of the project – traffic on Glenn Lakes Lane will only run one way into Quail Valley from Highway 6. All traffic coming up Glenn Lakes Lane from Quail Valley will be detoured onto Ridgeview and around to FM1092.

The ONLY access to our business as well as the two businesses next to us will be through the parking lot of the Convenience store center (Dominos, Donut Shop), entering off of Highway 6. They will be removing two of our parking spaces on each end of the lot to allow for a two way driveway between the businesses.

For those coming in from Quail Valley, your best option will be to park at Ridgeview Park and walk up through the side of the building. The contractor will be asking Fort Bend County to construct a temporary gravel walkway from the walking path to our driveway – hopefully that will happen. This is really an option for anyone – just come down Glenn Lakes like usual, pass the studio and turn right at Ridgeview Drive.

PLEASE try to carpool with other families!!! – this would also be a huge help to lower the number of cars in the lot, as obviously taking away those spots is a big problem. During our more crowded times, some people will have to park at Ridgeview Park, we just won't have enough spaces.

If there are any changes, I will notify you by email, so PLEASE make sure you check your inbox regularly.

Thank you, Melanie
